

Ethnically Diverse Environment Network

A user-led, proactive collaboration that empowers members of minority ethnic communities to engage in nature-based leisure activities, green health and wellbeing, volunteering, training, and employment.

Membership isn't determined by ethnicity, but our priority is to engage a diverse audience so that **everybody** has equity of access to our wonderful natural resources.

Join the
network

Contact: eden@air-time.org.uk

Proudly hosted by Air Time CIC,
EDEN operates in Surrey, Sussex,
Hampshire, and London.

- ✓ Sharing information about nature-based leisure activities, green health and wellbeing, volunteering, training, and employment opportunities
- ✓ Working with environmental organisations to offer network activities and events
- ✓ A platform and resource for network members to engage in climate change issues
- ✓ Membership is **free** and open to individuals and environmental organisations
